

Daneille Boggs

Powered By  launch_code

LaunchCode Student in Imperial, MO

I am a team player who works well in a fast-paced environment, possess excellent problem-solving skills, and embrace a new challenge. While I am an entry-level developer, I am eager to learn more and thrive with a future employer.

PROJECT EXPERIENCE

Recipe Hive— Cookbook App

- Helped design a recipe app that stores a user's recipes.
- Written with Java, HTML, CSS and React.
- This App is a huge time saver for those who cook. It centralizes the location of your recipes to make your life easier.

WORK EXPERIENCE

Substitute Teacher— Windsor Elementary, Kimmswick, MO.

March 2023 - Present

- Use classroom management to encourage participation and facilitate learning.
- Interpreting lesson plans and improvising when needed.

Field Support Admin— Quanta Utility Engineering Services, St.Louis, MO.

August 2021 - May 2022

- Confirmed data was accurate for lodging, travel, invoices, expenses and inventory.
- Arranged lodging for 100+ individuals on a weekly basis.
- Created direct accounts with hotels that we used frequently which saved the company \$5-\$15 per room per night.

Daycare Director — Stepping Stone Academy, Fenton, MO.

August 2015 - August 2021

- Manage daily operations, expenses, staff scheduling, events and changes due to COVID.
- Creating and managing a safe, stimulating environment for over 50 children ages 6 weeks- 12 years.
